As the Managing General Partner of the Partnership, in its capacity as the general partner of the Infrastructure Partnership, the Managing General Partner will fulfill its responsibilities regarding the evaluation of risks and internal controls through receiving and evaluating reports on such matters from entities in which they invest.

4. COMPOSITION AND PROCEDURES

- (a) Size of Board and Selection Process – The directors of the Managing General Partner are elected by its shareholders from time to time. The Nominating and Governance Committee recommends the nominees for election to the Board for approval both by the full Board and by a majority of its independent (as defined in the bye-laws) directors. Following this approval, the Board proposes a slate of nominees for election, the number of which is subject to limits in the bye-laws. The Nominating and Governance Committee also recommends the number of directors from time to time.
- (b) Qualifications – Directors should have the highest personal and professional ethics and values. They should possess skills and competencies in areas that are relevant to the Managing General Partner’s activities. At least three directors and at least a majority of the directors will be independent directors based on the rules and guidelines of applicable stock exchanges and securities regulatory authorities. If the Chair of the Board is not Independent, there shall be a lead independent director (“Lead Independent Director”) of the Board selected by the Board on the recommendation of the Nominating and Governance Committee.
- (c) Meetings – The Board holds at least four scheduled meetings a year, all chaired by the Chair of the Board or, in the absence of the Chair, such other directors as nominated by the directors who are in attendance. Materials for each meeting are distributed to the directors in advance of the meetings.

At the conclusion of each regularly scheduled meeting, the independent directors meet separately, in the absence of representatives from the Manager. The Independent Chair (or Lead Independent Director) chairs these in-camera sessions.

- (d) Committees – The Board has established the following standing committees to assist it in discharging its responsibilities: Audit Committee and Nominating and Governance Committee. Special committees may be established from time to time to assist the Board in connection with specific matters. The chair of each committee reports to the Board following meetings of their

committee. The terms of reference of each standing committee as documented in each committee's charter are reviewed regularly by the Board.

- (e) Evaluation – The Nominating and Governance Committee performs an annual evaluation of the effectiveness of the Board as a whole, the committees of the Board and the contributions of individual directors, and provides a report to the Board on the findings of this process.
- (f) Compensation – The Nominating and Governance Committee recommends to the Board the compensation for directors and supervises any changes to the fees to be paid pursuant to the Master Services Agreement. In reviewing the adequacy and form of compensation for directors, the Nominating and Governance Committee seeks to ensure that director compensation reflects the responsibilities and risks involved in being a director of the Managing General Partner.
- (g) Access to Outside Advisors – The Board and any committee may at any time retain outside financial, legal or other advisors at the expense of the Managing General Partner. Any director may, subject to the approval of the Chairman of the Board, retain an outside advisor at the expense of the Managing General Partner.
